New Friends New Life

New Friends New Life (NFNL) is making a difference in the lives of women, their children and our community. Since 1998, NFNL has stayed true to its mission of enabling women to leave the degradation of the sex industry and to build new lives for themselves and their children. Last year we helped 300 women and their children overcome the pain and trauma of their past to achieve higher education, emotional healing, conventional employment and life skills necessary to be productive members of our society.
